

School Shoes

A reminder that for Years 7-10 summer uniform, our school shoe is a black lace up traditional school shoe (not trainer style or canvas material); or an optional T-bar sandal as noted on our website.

The shoe for Senior High School (Years 11- 13), is a plain black leather loafer; with small heel. No patent leather; no trimmings or different coloured stitching; no bars or laces or ballet style shoes will be acceptable. Examples of styles shown below are a guide.

Stockists may include: Scooters (Remuera); Ecco; Hannahs; and others. Please check availability of black loafer style shoes early so that you can look for an alternative brand if necessary.

If you have any concerns about styles or shoes please consult with your daughter's Dean or Mrs Kate Burkin, AP Pastoral Care prior to purchase.
